The first Monday in January is the most depressing day of the year, apparently, with the highest incidence of filing for divorce, starting affairs and looking for new jobs. Sounds like any day here at Paul Raymond Towers, which is twinned with Sodom and Gomorrah. To me, it's one of the best days, getting back to work and feasting my eyes on all this first rate fanny. Hope you like my picks...

Husband plays a blinder

"My juicy cunt was aching for a good licking and a fucking!"

My boyfriend Sam told me his fantasy was seeing me with another woman.

I was nervous about it but you only live once so I told Sam I would tell him when I was ready for it. In the end it happened without me even knowing!

I was in the bedroom getting my sexy gear on. My cunt was getting moist and twitchy at the thought of being handcuffed to the chair that Sam was setting up downstairs.

We'd done it a few times and as far as I knew there were only me and Sam in the house. I entered the room to find Sam with his cock standing to attention and ready for action.

He walked over to me, tied a blindfold around my head and told me not to say a word. He handcuffed me to the chair and began kissing me.

He was going to enjoy the night, and so was I. He told me to imagine it was a girl doing what he was doing to me, and I let my imagination run wild.

He kissed me hard and then went straight between my legs where my juicy cunt was aching for a good licking and a fucking. I was getting wetter by the minute.

He stuck his tongue up my juicy cunt and I moaned aloud.

Suddenly my legs were spread open and my thighs were gently stroked. A hand softly touched my pussy and Sam asked me whether I thought it was him or someone else.

My pussy was being rubbed in all the right places and I felt a finger enter my wet cunt hole. It felt so good and I moaned in pleasure as another finger felt its way into my cunt.

My pussy was rubbed harder and faster, getting a good finger fucking. My cunt tightened and I knew I was about to cum. Just as I was getting another licking my

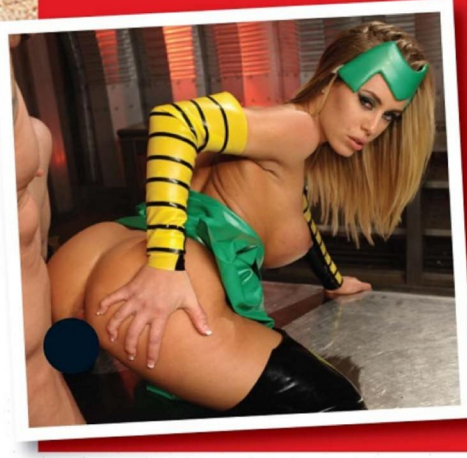
NAUGHTY BUT NORSE



Thwoooaaarr! With mainstream *Thor* sequel *The Dark World* in cinemas, three-time AVN Director of the Year Axel Braun cashes in and splashes out on a typically well made porn parody from Vivid Productions that will have you retreating into your own "Dark Room". Expect this film to have your hands raping and pillaging your hairy cock like a horde of angry bearded Norsemen did to Lindisfarne (the bastards!). The Thor birds who look like they'll require an "Asgard" for a few months are Julia Ann as Frija, Nicole Aniston as The Enchantress, Alyssa Branch as Jane Foster and Kimberly Kane as Sif. These impeccable pussies will have cosplay and comic fans goading their little Odins on to rune their pants.

blindfold slipped slightly and I got a peek across the floor. I saw Sam's leg and it looked like he was standing up.

I wondered who was licking my cunt, and guessed it was probably another woman if Sam had anything to do with it.

My pussy was being licked, sucked and fingered by another woman and I never thought I could have enjoyed it so much as I did. I'd cum five or six times already by then.

Sam must have been pulling his cock extra hard at the sight of this girl on girl action. My twat needed something big in it and I think she sensed that.

I reached up to get out of the chair and I felt her gentle hand touch my arm then waist. She led me to the floor and we kissed. She put her hand on my pussy and started to rub it slowly.

I stopped completely still and she sucked my cherry hard nips. I heard a buzzing noise and I knew I was really going to get it.

She got me down on all fours and teased my bud with the dildo. It made my cunt hole really wet and that's when she rammed it in right up to the top.

"Oh fuck that juicy coat!" I moaned out loud. Sam asked me if I wanted it deep and hard. I said I did and that's how I got it.

I came again and again. I was incredibly wet and so was my buzzy friend. I began to buck faster onto the big plastic cock. It was so deep in my cunt it hurt but that didn't stop me cumming.

Sam was close all the time. He must have been behind me so I wouldn't think there was anyone there but him. If the blindfold hadn't slipped I would have thought it was Sam doing all this.

I was getting fucked by a woman with a dildo and enjoying every second of it but I didn't ruin the game by taking the blindfold off.

Afterwards we talked about our session. I told him I'd seen his leg while I was getting my cunt eaten in the chair and he confessed it was another woman.

He told me she was called Diane and had liked me a lot. She'd done most of the work while Sam got his cock ready to fuck me (which he did, up the arse, after she'd finished with the dildo).

I'm going to meet her face to face next week. Can't wait!

A slightly senile elderly woman dialled 999 on her mobile to report that her car had been broken in to. Hysterically, she cried out to the emergency operator: "The window wasn't broken, but they've stolen the stereo, the steering wheel, the pedals and even the gear stick!" The dispatcher tried to calm the woman down. "It's okay, madam, just stay where you are. A police officer is on his way. He'll be with you very shortly." A few minutes later, the police officer's voice comes over the radio, "Dispatch, please disregard. She got in the back seat by mistake."

I was eating alone in a trendy restaurant last month and was mortified when I realised I badly needed to fart – and I wasn't one for dainty parps. The music was really loud, so I figured that nobody would be able to hear if I simply timed my trumps to the beat. After a couple of tunes, I was feeling a lot better so I finished my coffee and gathered my stuff up to leave. As I got out of my seat, though, I noticed that everybody was staring at me.... And it was then that I remembered I was listening to my iPod.

A farmer was driving his tractor along a country lane, when he noticed a boy playing in his front garden. As he passed, the lad called out to him, "Excuse me, but what are you carrying in your trailer?" The farmer slowed down and shouted back, "A load of fertilizer!" Puzzled, the boy asked, "What is it for?" The farmer replied, "Well, you can do a lot with it, but I'm going to spread it all over my strawberries!" The boy pulled a face, "Yuck! You should come and live here – Mummy puts cream and sugar on ours!"

TRUE CONF

SARA TAKES PART IN A VERY ADULT GAME OF DOCTORS AND NURSES

Although we're well into 2014 now, I still haven't decided on a New Year's resolution. Healthy eating and exercise were my resolution last year and I promised myself some new clothes if I succeeded.

I really knuckled down and managed to lose over two stone in the first six months, something I had only dreamed about for years. I stayed true to my self-promise, and went shopping for a new wardrobe, to replace the frumpy and shapeless one I already had.

After getting myself some lacy undies and a few other necessities, I began my hunt for the sexiest dress I could find. Turned out, it was a skin-tight micro-mini from a fetish shop – black rubber with red rubber flames licking up the front from the hemline. I loved how I looked in it, slender yet curvy, with my boobs shoved up into the most incredible cleavage. I chose some red 'stripper' stilettos to go with it – they screamed 'look at me', but they also made my legs look even longer and slimmer, and I couldn't resist them.

While I was out shopping for the new, exciting me, I was handed a flyer for a fetish club. If I had been handed the leaflet the day before, I probably would have thrown it away, but this daring new version of Sara was intrigued and feeling confident enough to go and have a bit of sexy fun!

That night, I got dolled up in all my sexy new gear, did my hair and make up and couldn't believe how different I looked! I made a pact with myself that I would say yes to whatever I was faced with that night, no matter how nervous I was. A new me deserved a new experience, after all!

When I arrived, I headed straight to the bar, past numerous couples making out, in various states of undress. This didn't faze me, but I was started to get butterflies in my stomach, thinking about what might be in store for me. I bought myself a cocktail, then wandered around the club, taking all the horny sights in, still wondering where I would find the action for me.

I actually found it a few minutes later, in the 'playroom', where they had a load of props set up for sexy, roleplay games. A couple acting out a doctor and nurse scenario caught my eye. She was cartoon-sexy – big blonde hair with a little nurse's hat perched on top, bee-stung lips smothered with pink gloss, a tight, metallic-blue nurse's uniform, unbuttoned low enough to expose a white rubber push-up bra, and high heels. He was older, but distinguished looking – he could have passed for a real doctor and I like to think he was – but his suit and white coat were made of rubber. He was also wearing a rubber surgical mask, which made him look slightly imposing. I took a deep breath and approached them; if I was up for a new experience, this was definitely it! For my 'medical' he had me hop up on a surgical table, padded with rests that raise

and splay my legs. "If you could prepare her, nurse," he said. "Make sure she's well-lubricated for the internal." A crowd began to gather as the nurse started stimulating my clit, teasing it lightly with her rubber-gloved fingers. Every now and then she'd dip a finger into my pussy, inspecting it to see how well I was juicing up.

A crowd of men began to gather round me to watch, and although I felt a bit nervous at first, I felt a glow of pleasure, perhaps even a sense of power that I was turning them on so much. The doctor came up to inspect the nurse's work before slipping three gloved fingers inside me, with what seemed to be professional detachment. Even when he hit the spot, sending me into spasms, his eyes, above his mask, didn't show any response. Then he ducked his head between my thighs and licked me through his mask – I felt his tongue against my slit through the thin rubber and I shivered with pleasure. Then he fingered me again and told me, "Ready for treatment. Just relax."

His prick was already hard when he got it out and he wanked it with a gloved, lubricated hand, until it stiffened and swelled even more. Then he eased his cock, smoothly and expertly, up my fanny, sinking in down to his balls. He fucked me like he'd fingered me, cool and detached. As I started to moan and whimper, the nurse came over, holding and stroking my hand, then hushing me with a deep, open-mouthed kiss.

"I FELT A SENSE OF POWER THAT I WAS TURNING THEM ON"

She came out of it with her hair dishevelled and traces of my red lipstick all over her mouth, when the doctor called her. He was trying to stay calm, but she had to mop the sweat running off his brow.

I was in a bit of a state too, groaning and gasping for breath, writhing my naked arse against the table. The nurse put a ventilated 'oxygen mask' over my mouth, just for effect, and breathing in the scent of the black rubber just got me even hornier.

As the doctor rolled my clitoris in between his rubber-coated fingers I started to orgasm, my cunt muscles clamping tightly around his shaft, holding him fast. This set him off too. He pulled out and wanked off against my rubber dress until spunk exploded out of his japseye to splatter all over me.

After taking my applause from a very appreciative audience, I staggered off to the bar for a drink. I caught sight of myself in a mirror – flushed and a bit dishevelled, with sticky white trails running down the front of my shiny red and black dress – and finally realised how fuckable I looked.

And that's why I haven't settled on a New Year's resolution yet for 2014 – I know it'll come true, so it needs to be a bloody good one!

The country code breakers

I have been a member of my local camera club for about fifteen years and it was through this that I met my wife Donna.

She had originally joined as a member but had been persuaded to act as a model when we had been let down. We often go out into the countryside to take photos together.

We recently spent a lovely afternoon taking pics in some fields near our home. It was during our session that my wife noticed somebody standing on the edge of the field watching us.

I could see she was very excited by this because normally she just does 'arty' poses, but this time she seemed to be getting more and more adventurous.

"He aimed his cock at her clit and pumped hot sticky cum over her sensitive bud"

She began flashing her knickers and pulling the top of her dress down to expose her nipples. I certainly wasn't going to stop her and I continued snapping away.

When we looked again we saw that the man had moved closer and was now only about twenty-five yards away, although he was still standing behind a hedge outside the field.

Imagine my shock when my wife suddenly stood up and beckoned to him to come over and join us. He came straight over, pausing to tether his dog

visit www.paulraymond.com

to the stile.

He was in his early twenties and introduced himself as Grant. Then he settled on the grass to watch the rest of our photo session.

Of course having an audience was just what Donna wanted. She got more and more explicit in her poses, pulling at her nipples to make them stand out.

Then she removed her knickers altogether so her pink pussy was exposed to the sunshine. I had a huge hard-on which I was desperate to do something about, but Grant beat me to it!

He leaned over and started to lick Donna's nipples while stroking her thighs. She relaxed against him and let her legs flop open to show her pussy glistening with juice.

I couldn't resist getting between her legs and licking her swollen clit, flicking it with my tongue and pushing my fingers deep inside her.

When I looked up I saw that she had Grant's dick in her mouth and was frantically sucking him off. This was too much for me and I released my own cock from my jeans.

I knelt on the other side of her, offering my dick to suck. For a while Donna sucked us both off, taking it in turns to stuff her mouth with our swollen cocks.

Then Grant moved down her body and parted her pussy lips so he could push himself up her slippery cunt. The sight of my wife being fucked by someone else was incredible.

I started to cum in jets of spunk, totally covering her face and throat. Then I saw her stomach tighten and knew she was reaching orgasm.

I covered her tits with my hand and squeezed her big hard nipples between my fingers. Grant's breathing sped up and suddenly he withdrew, making Donna gasp.

He aimed his cock at her clit and pumped what seemed like gallons of hot sticky cum over the sensitive bud.

She orgasmed just from the touch of his jets on her clit, but I reached over and rubbed it furiously, sending her into a back-arching spasm of intense pleasure.

The bigger, the batterer

"She breathlessly told me she wanted a cock in each end. How could I say no?"

I had always fantasised about watching my girlfriend Mia fuck another man's big cock but I didn't think she'd be up for it.

Little did I know she shared the same fantasy. It all started one Saturday afternoon when I was fucking her in her favourite position, doggy-style.

She started fantasising about big cocks. Hearing her talk like that made me fuck her even harder and we agreed to make it happen for real.

That night we went into town and found a packed bar with a good selection of available cocks. Mia was wearing her favourite see-through short dress.

With no knickers on, a freshly shaven pussy and 34D boobs popping out everywhere, I knew she couldn't fail to pull whoever she wanted.

After a couple of drinks Mia disappeared into the crowd to find our man. She returned after ten minutes and introduced me to Frankie, a 40-year-old bloke she said had a big cock.

I asked him to sit down next to Mia and within seconds she had her tongue down his throat and her hand on his cock. My cock was rock-hard as I watched in disbelief.

I suggested we go somewhere else so we left the bar and turned down the first alleyway we came across. Mia dropped to her knees, tugged Frankie's trousers down and flopped his cock out.

She was right, it was huge

visit www.paulraymond.com

she came all over his hand. By this time she was gagging to have his big cock stuffed up her and she was so wet that Frankie had no problem getting it in.

At first the size of it hurt her as he penetrated her deeply, but it wasn't long before she was begging Frankie to ram it up her harder and deeper.

Frankie wasn't one to argue and gave her the hardest fuck he could, his big knob sliding deep inside her tight cunt.

Mia then turned to me and breathlessly told me she wanted a cock in each end. How could I say no?

– by far the biggest I had ever seen. She lowered her mouth over it and proceeded to suck him off frantically, licking his shaft and balls.

It wasn't long before Frankie shot a big load of jism down her throat. Mia couldn't get enough of it and stuck her tongue down his barrel to lick

"She stuck her tongue down his barrel to lick up every last drop of his jism"

every last drop.

I was now furiously wanking my cock as I watched Frankie wrench up Mia's dress, revealing her suspenders and swollen snatch.

He then ripped her bra off and her massive tits with huge erect nipples burst out. Frankie turned Mia so she was facing the wall and she opened her legs wide.

Frankie accepted the invitation and rammed his fingers up her cunt and arsehole.

It wasn't long before

As she neared climax, Frankie fucked Mia harder and she sucked me deeper. When she came she let out a cry that could be heard for miles.

Next Frankie shot his load up her snatch before I pulled out and fired my spunk over her pretty face.

We thanked Frankie and he disappeared into the night, probably wondering if it had all been a fantastic dream.

I was worried later that Mia wouldn't be satisfied by my smaller cock. I needn't have worried – she just loves cock!

Sadie & Nathan

"My knickers went see-through and clung to my dripping folds"

My husband and I have been married for five years now, and although most of that has been happy and we still love each other deeply, I have to admit to being a bit bored. I find myself knocking about the house, waiting for my hubby to get home from work. It stands to reason, therefore, that our sex drives have become completely out of sync – he's satisfied to make love once or twice a month, whereas I would fuck every day, if I could!

A solution to our problem seemed to present itself when a bloke called Nathan moved in next door to us. I fancied him the second I saw him; he was in his early thirties and dressed in black jeans and a white vest, which showed off a pair of nicely muscled upper arms – my weakness where blokes are concerned. I actually mistook him for a removal man at first, as he was carrying stuff from a van and into the house. Perhaps I wouldn't have come on so strong if I'd known I was going to have to live next door to this bloke, but as it turns out I'm glad I did.

My husband was at home, it being a Saturday, so I let Nathan introduce himself over a cold beer in our kitchen. Obviously nothing happened that first time, but as we shook hands and he shot me a sexy grin, I certainly felt there was a spark. I bided my time and got the perfect chance to make my move a couple of weeks later.

Nathan was up a ladder doing some painting, and I asked if there was any chance I could possibly borrow it for ten minutes, to clear a blocked gutter. As I'd hoped, he was a gentleman and did the job for me, then came into my kitchen for a drink.

His hands were dirty, so I turned the tap on for him as he stood by the sink to wash them. On purpose, I turned it a bit too hard, so it splashed everywhere and soaked the pair of us. Nathan wasn't bothered but I squealed, yanking off my dressing gown in mock surprise, so he'd see me in my short, silky nightie. He couldn't help running his eyes appreciatively over my still-fit body (thank God I'd continued with those weekly tennis lessons, after all!) and I took that as a sign that I should go in for the kill.

I got him a beer from the fridge, but before handing it over I presumptuously licked the expanding foam off the top of it, and gave the rim of the bottle a little suck. Not subtle, but we'd gone beyond that. He took a swig then put it down the table, then swept me up off my feet. He carried me around the kitchen – I had my legs wrapped around his waist – until we reached the edge of the sink, where I perched my arse. He pulled my nightie up and off over my head, nuzzling my body as he exposed it. Turning the tap on, he started splashing me with water, rubbing it all over my tits and nipples to get them hard and slippery. I was soaking wet when he stuck his face in between my globes, and started shaking it from side to side, his stubble scratchy against my skin. This was only something I'd seen done in pornos and it thrilled me to my core.

Soon my pale-pink silk knickers were absolutely dripping – with my juices as well as the water – so they went see-through and clung to my folds. Nathan kissed and licked me through them before peeling them down and off my feet, enjoying how they stuck to my skin and needed to be peeled free of my slit.

I had my legs up over his shoulders as he tried to lick me out, but kept thinking I was going to topple arse-first into the sink, so instead he bent me over a work surface – I had put on a pair of sexy high heels knowing my legs looked great in them, and was glad I had when he sat on a chair to eat me out from behind. I hate to say it, but when my husband goes down on me it feels like a duty, like he only does it to get his dick sucked, but Nathan got stuck in like he could have done it all day. He used his hands to pull my arse cheeks and pussy lips wide apart, then buried his face between them, plunging his tongue in deep and diddling my clit with his fingers until my legs went to jelly.

I'd already cum when he stuck two fingers up my hole and started working them in and out, asking me did I want to fuck. I groaned yes, feeling heady with anticipation, and he stood up, cupped my tits from behind and pulled me down to sit on his lap. He'd already got his cock out so he could have a sneaky wank as he licked me out, and now he guided it to my twat, so it disappeared up me as I sank down.

It was one of the horniest fucks I've had in my life, so deep and grinding. Nathan splayed my legs as wide as I could

WorldMags.net

handle, and tipped me forward, angling my hips back towards him. Then, as he ground into my pussyhole, he reached down to grab his balls and rubbed them gently against my clit. I took over, massaging them against my wet slit, as he went back to my tits, squeezing tight and pinching my hard nipples, sending little sparks down to my crotch.

We fucked like that for ages, but Nathan couldn't really thrust hard, so I got back on the work surface, facing him this time. He had a good suck and nibble on my nipples as we got back into the rhythm of fucking, then he just watched as my boobs jiggled and bounced as he slammed in hard and deep. I swung my legs back around his waist, my high heels pressing against his arse to gently spur him on, and soon he was groaning that he was on the point of cumming. He wanted to pull out and spunk on my tits, but when I tightened my legs and fanny muscles around him, he just kept going and finally lost his load deep inside me. I made sure he sort of got his way, though, because when he pulled out of me, I scooped big fingerfuls of spunky juices out of my cunt and rubbed them all over my tits. This obviously did it for him, as he shot me this really sexy grin, before licking his own cum up into his mouth and sharing a jizzy kiss with me! It was quite possibly the horniest and filthiest moment of my life… And I absolutely loved it!

"I scooped the spunky juices out of my cunt and rubbed them all over my tits"

We've been screwing each other on and off since then. Nathan is self-employed, so it's not hard for him to skive off for a quickie – or more – every so often. He and my husband actually get on quite well and I fantasise about my other half announcing one day that he'd love to watch me get a fucking from another man. I don't reckon that's likely, though, so it's mine and Nathan's little secret for the time being. I like to keep pushing our luck, though, just to make sure things stay exciting!

The riskiest thing we've ever done was one night, in the early hours, when I couldn't sleep. I sent him a text saying that he'd left his van lights on, and he came out to find me waiting for him, desperate for a shag.

He'd actually invited a date back that night, so we ended up screwing on a sleeping bag in the back of the van. It was fast and

WorldMags.net

visit www.paulraymond.com

furious, Nathan's prick ramming up my hole so hard he was virtually spanking my arse with his crotch, and when he came it was like his spunk exploded out and filled me up.

When I finally returned indoors, I somehow managed to coax my husband out of sleep and into fucking me. I'm not proud of the fact I'm cheating on him but it gave me a bit of a dirty thrill, knowing I was taking a load of spunk from two different men within the same hour. And I could help but wonder if Nathan's date sucked his cock and realised that she was lapping up another woman's juices off it…

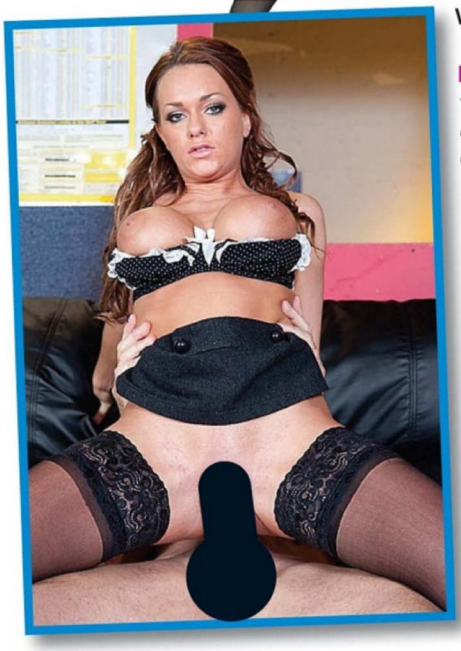
FILM PHW

WE LOVE THESE LADIES' LUST-INDUCING LIVERY!

Uniformly Sexy

Cock Inspectors

Released by: Bluebird Films
Starring: Mai Bailey, Black Angelika, Cindy Behr, Paige Ashley, Jasmine Webb, Lissa Love



BEST BITS: As with most Bluebird releases, *Cock Inspectors* features a stellar cast, with years of dick-wrangling under their collective belt. Eurobabe Black Angelika teams up with blonde cutie Cindy Behr (*right*) for a magnificent three-way, each brandishing a prop of their choice – truncheon and handcuffs, if you must know – while fucking and sucking their way around their stunt-cock. British superslut Paige Ashley (*left*), initially dressed in a prim blouse and skirt, soon peels them off to reveal a sexy bra and hold-ups, before inspecting her given dick thoroughly, in her usual loud and enthusiastic style that's won her legions of fans.

WORST BITS: We were hoping for a few more uniforms, with only PVC-clad Cindy Behr doing it for us on that front.

DVD FEATURES: Photo gallery, trailers.

Body Heat

Released by: Digital Playground
Starring: Jesse Jane, Katsuni, Kayden Kross, Riley Steele, Raven Alexis (*left*)

BEST BITS: Hardly surprising that Body Heat was nominated for three industry awards, including Best Feature, as US giants Digital Playground threw everything they've got at it – including a whopping budget, an amazing cast, a real firehouse as a location, a plausible story line and some awesome special effects. Kayden Kross (*right*) takes the lead role here, and she doesn't disappoint with either her acting skills or her sexual prowess. The seventh and final scene is, without doubt, the highlight of the movie, with all five contract girls getting together for one big orgy with open-mouthed kissing, fingering, rimming, and rug-munching.

WORST BITS: No anal at all, with the exception of a tiny bit of rimming and the occasional finger. The non-sex scenes seemed a little longer than average too.

DVD FEATURES: A whole bonus disc of BTS, deleted scenes, out-takes and trailers.

OOOAAR!

Fly Girls

Released by: Digital Playground
Starring: Jesse Jane, Jenna Haze, Riley Steele, Katsuni, Sasha Grey, Raven Alexis, Lisa Ann, Nikki Benz, Diamond Foxxx, Janie Summers

BEST BITS: With an almost unbelievable cast, Fly Girls really is the stuff dreams are made of, with every uniform-clad "air hostess" enjoying their share of dick, and as a result all receiving a facial. Unusually for a "comedy" porno, the funny bits really do work! Janie Summers' blowjob in the first scene is awe-inspiring; from the way she spits and gags, to the savage face-fucking she gets in return. The pairing of Sasha Grey and Raven Alexis for their three-way in the fourth scene is a stroke of genius. Far from being overshadowed, Raven more than holds her own, and by the time they've screwed every genital in sight and they're cum-swapping their joint facial, you'll be sure to have popped your load.

WORST BITS: Apart from the continual uber-close-up shots when a wide would suffice, there's nothing for us to moan about at all!

4.5/5

DVD FEATURES: 17- minute-long BTS featurette.

House Call Nurses

Released by: Zero Tolerance
Starring: Kendall Karson, Nicole Aniston

BEST BITS: What could be better in life than being tended to by a sexy nurse? Curvaceous Nicole Aniston (*below*) gets naked with her patient. After a few positions, she gives him a quick tit-wank and accepts his load over her plentiful bangers. If you haven't seen leggy Kendall Karson before, you're in for a treat! Her tight body was made for sin, something she proves from the off, gagging on cock and being shagged while spanked till her arse cheeks are pink.

WORST BITS: Most of the outfits are discarded at the beginning of the scene.

DVD FEATURES: Photo gallery, trailers.
